\$25 application fee

17 years old to apply

18 years old to begin program

High School Diploma or GED

Background Screen will be performed

Valid Driver's License (standard insurance, not a high risk.

Our contractors must be able to insure you to drive their company vehicles)

- How to apply
STEP #2

What to bring:

- 1.** Completed Application (can be printed off the website school page or filled out in person)
PLU210.ORG School page
- 2.** Copy of Driver's license
- 3.** A copy of your birth certificate or other such document for proof of age.
- 4.** A copy of your high school diploma (and college diploma if applicable).
- 5.** High school transcripts

Transcripts must have the raised seal or may be in a sealed envelope from your school. Please note that if your school is mailing the transcripts directly to our office they must arrive prior to the application date, you can call to verify their arrival. Or GED Certificate with official report of test results.

- 6.** Copy of Military transfer or discharge form DD-214 if applicable.

***Please note – the requested COPY items need to be copies, we will not make them for you.**

Please return the completed application and following documents only on the application days shown below. We will not accept them any other time and you must return the application in person (friend/relatives may not return them for you).

(over)

- How to apply
STEP #3

Interview

The Interview times will be scheduled after background screening results are complete.

Passing a drug screen will be required as a condition of employment and issued randomly throughout your training.

This screen is administered by the BCRC at no cost. Masking the test or diluting of it will be considered a failure.

All apprentice and journeyman plumbers in Indiana must carry an Indiana State Plumbing License before performing work according to the law.

The application contains criminal background questions you must answer. The Indiana Plumbing Commission will review and grant or deny your license request. If denied, by law you cannot work as a plumber in Indiana. The State of Indiana application can be viewed here: <http://www.in.gov/pla/2761.htm>

TERMS OF THE APPRENTICESHIP
